Aching feet ? Arthritis ? Rough skin ? Dry and Cracked skin ? Bunions ? Corns ? Callus ?
Toe nails you don't want on show !

Diane Vaughan offers a full range of foot health care services so you can walk tall and feel comfortable.

About Podiatry

Foot health care ranges from treating verrucas to nail surgery for problems like in-growing toenails.

Podiatry is the new name for **Chiropody** - the change is just because it has become more closely linked to the medical profession so Professionals, like Diane, can provide a better more comprehensive service to you.

About Diane

Diane has always been involved in caring for people – from her early nursing career to her current specialism in foot health care.

Diane Vaughan BSc MChS HPC.R.Pod

“Diane was very understanding and explained things clearly. I know she’s looking after me properly.”
